### About us

Are you concerned with staying in compliance with FDA and HIPAA regulations while your business is in transition?

The Morris Group is a management consulting firm specializing in planning and managing large integration projects associated with mergers, acquisitions and divestitures. Our decades of expertise have been focused on Life Sciences, Information Technology and Regulatory Compliance. We utilize best practice methodologies delivered by lean model that reduces your costs and increases our accountability.

How can we help?

- Mergers, Acquisitions and Divestitures
- Integration Advisory
- Regulatory Compliance
- Information Technology
- Remediation
- Vendor Selection
- Process Optimization
- Due Diligence
- Audits and Assessments
- Program, Project Management
- GMP, GLP, GCP, GAMP, PDMA

As your business grows, compliance programs should grow with you. Our regulatory experts can design scalable programs and remediate deficiencies throughout your organization.

We provide the highest quality auditors and professionals to develop creative strategies that do not interrupt your operations while improving your regulatory compliance. Our knowledge of industry best practices enables you to maximize growth and minimize risk.
