About us

Telos Corporation empowers and protects the world's most security-conscious organizations with solutions and services for continuous security assurance of individuals, systems and information.

Telos' offerings include cybersecurity solutions and services for IT risk management and information security; secure mobility to protect globally connected organizations; and identity management to establish trust in personnel and continuously monitor for insider threats. We serve military, intelligence and civilian agencies of the federal government, allied nations and commercial organizations around the world.

In 2017, Telos was recognized as a leading cybersecurity company, evidenced by a top 25 ranking on the global Cybersecurity 500 list by Cybersecurity Ventures. Telos is also a 2017 recipient of the prestigious James S. Cogswell Outstanding Industrial Security Achievement Award from the Defense Security Service (DSS), awarded to less than 0.3% of eligible organizations.

We're always looking for employees who share our core values and want more than just a job. We offer a business casual environment, and the opportunity to make a name for yourself as you contribute to our continued success. If you're interested in joining our team, visit our careers page: www.telos.com/careers.
